### **Features :-**

The Sci-Calculator App includes the following features:

1. User-Friendly Interface: Enjoy an intuitive and easy-to-navigate music player.
2. Dynamic Playlist Creation: Create, manage, and personalize playlists effortlessly.
3. Shuffle and Suggestions: Smart shuffle and auto-playlist suggestions for variety.
4. Customizable Playlists: Add, remove, and reorder songs to match your mood.

### **Objectives :-**

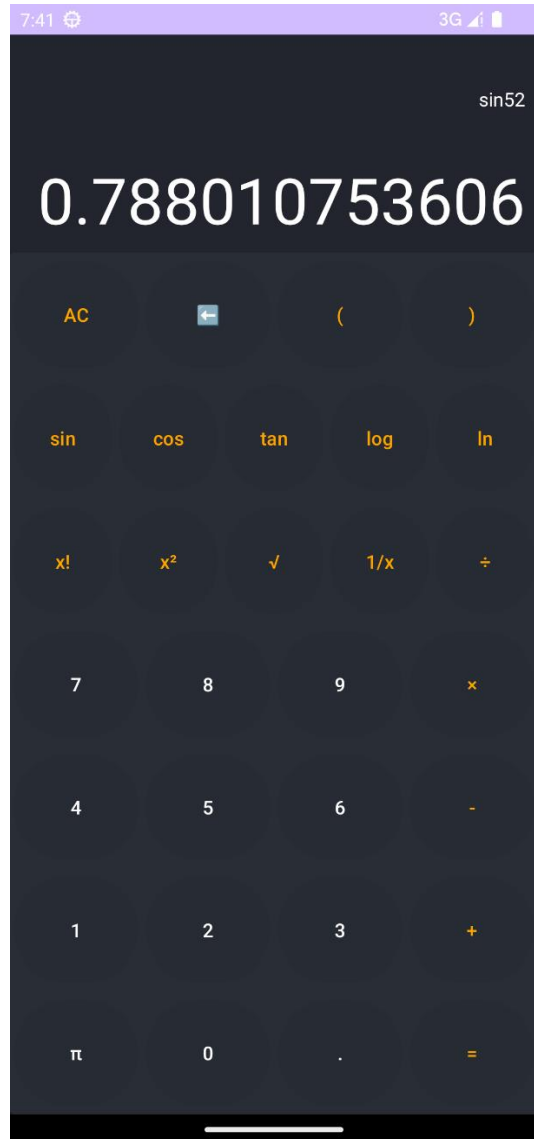

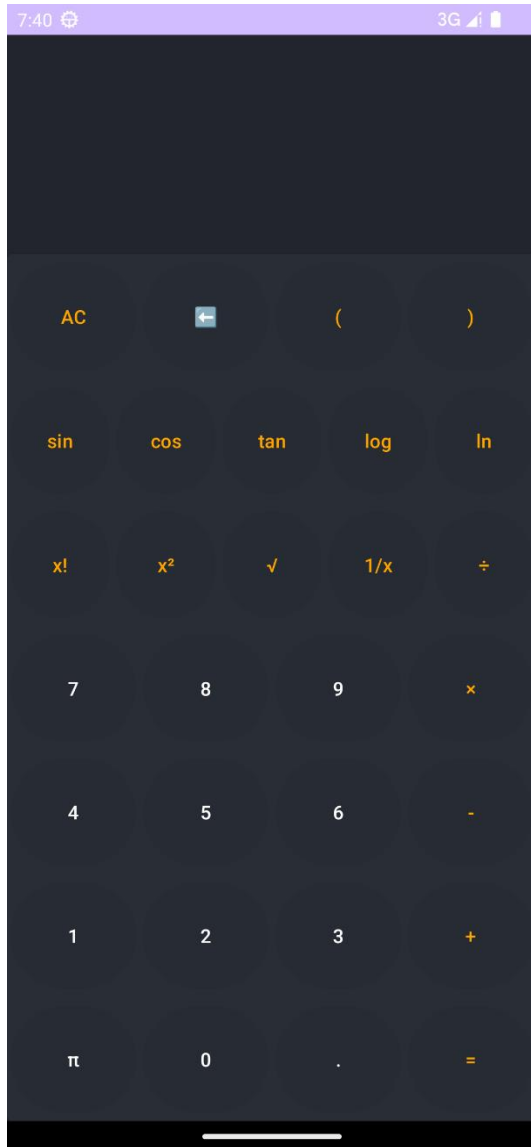

The main objectives of the Sci-Calculator App are as follows:

1. Enhance Music Enjoyment: Our app aims to provide a seamless and enjoyable music listening experience with a user-friendly interface and dynamic playlist creation.
2. Personalization and Convenience: We strive to offer users the ability to customize their music collections, discover new tracks, and easily manage their playlists.
3. Simplify Music Organization: Our goal is to help users keep their music library organized while offering features that cater to their unique preferences and moods.
